Testimonials

"I endorse Michael Maguire as a mediator. I have been fortunate to know Michael since 1999, and have worked with him in a professional capacity since 2010. I find Michael to be an excellent communicator who is able to get to core issues quickly and make emotionally complex issues simple. He shows an appropriate amount of empathy, while working hard to achieve a resolution at mediation rather than navigate the litigation pathway.

Family Law Accredited Specialist, Toowoomba

"Michael brings great experience with the benefit also of a diverse and broad background in the law. He has empathy and is impartial, and has honed the skill of bringing people to a good and safe resolution whilst also focusing on their future.

My clients feel he's as much invested in reaching an outcome as they are."
